Parish Communications:	Our parish strives for good communication with parishioners and the wider community. Our parish bulletin is available to hundreds of homes at our weekend Masses. It is also available on our website and on social media. We are delighted that many are linking in with our parish through our social media on facebook, twitter and instagram. Equally, we are delighted with the many that join us from other parts of the country and abroad through our web facilities. This facility allows family and friends from all over the world to join at weddings, baptisms, funerals and at other liturgical events in the life of the parish and parishioners. Many have expressed their appreciation for this important facility allowing them to participate on such occasions, especially when they are unable to travel home to Kingscourt from abroad. Thank you to those involved in making these important services available to so many at home and abroad. Visit us on the parish website <a href="http://www.kingscourtparish.ie">www.kingscourtparish.ie</a> and follow our social media platforms , Facebook , Twitter and Instagram @kingscourtpar.
