Choose Life 2013

'Day for Life' message from Pope Francis

In a special message to Catholics across Ireland and Britain ahead of the Catholic Church's annual *Day for Life*, Pope Francis has emphasised the need to care for life from conception to natural end. The 2013 *Day for Life* message focuses on care for unborn children and their mothers; care for people who are elderly and care for those who are suicidal and their families. The text of Pope Francis' message follows:

"Calling to mind the teaching of Saint Irenaeus that the glory of God is seen in a living human being, the Holy Father encourages all of you to let the light of that glory shine so brightly that everyone may come to recognise the inestimable value of all human life. Even the weakest and most vulnerable, the sick, the old, the unborn and the poor, are masterpieces of God's creation, made in his own image, destined to live forever, and deserving of the utmost reverence and respect. His Holiness prays that the *Day for Life* will help to ensure that human life always receives the protection that is its due, so that 'everything that breathes may praise the Lord' (Psalm 150:6)."
