Why do we sing at Mass?

We sing when we are happy, and we sing on special occasions such as birthdays. Music helps us to be joyful and to share our joy with others.

The Bible tells us that singing hymns is a great way to pray. Singing hymns helps us to show our love for God, and the sound of children singing at Mass raises the hearts of the whole congregation closer to God and helps everyone to pray.

Thank you for being a member of our church choir

You are an important part of our Sunday Masses. We hope that being part of the choir will help you to be a good friend of Jesus.

Singing in the choir is a privilege and it is an important way to serve God. We ask you to follow these next steps:

Things we can do:

- ✓ Be punctual for Masses and rehearsals
- ✓ Follow the Code of Behaviour
- ✓ Answer the prayers on the Mass leaflet with the rest of the congregation.
- ✓ Show reverence during Mass

Code of Behaviour

- Discipline issues will be handled in a fair manner and in partnership with parents.
