**Grow in Love.**

**Grow in Love** is a new Religious Education series for Catholic primary schools which is being phased in from this September replacing Alive O which has been used since 1996. The new series offers parents and families effective ways to be involved in their child's religious education and encourages them in their irreplaceable role in their child's faith development. It is hoped that this new series will help parents to see that their role in the child's religious education is vital.
