Annual Statistics:

We extend a very warm welcome Fr. Fernando on his first weekend in the parish. We recently received our annual statistics for the past twelve months for the parish website. Our highest visitor numbers are from Ireland, followed by the USA, UK, Canada, Poland, Australia and Brazil. Over 50% of our visitors view from their desktops, with another 30% using their mobiles and a further 20% from their tablets. Over 19,000 people have joined for various services in the Church on the parish webcam. Other very high visitor numbers have viewed Fr. Gerry's sabbatical stories, the annual Cemetery Mass, the Fair of Muff, the Parish Pilgrimage and the weekly parish bulletin to name the top five!
