Charity Form:

In recent days, those who have supported the parish financially during 2016 received correspondence and a Charity Tax Form which **YOU ARE NOW ASKED TO COMPLETE and send back to The Parish Office by return.** This allows the parish to receive a further payment from revenue and at no cost to the donor. It does not affect your own personal finances or tax status and is an important source of additional funds for our Restoration Fund. Thank you to those who have responded during this week.
