<p><b>Webcam Upgrade:</b></p>	<p><b>PJ in the Sacristy or Fr. Gerry. A time of crises can also be a time of opportunity for all of us to take more ownership and responsibility. We are deeply appreciative to one and all.</b></p> <p><b>In recent weeks, our parish has made a further sizable investment in upgrading our webcam facilities with the most up to date available technology and improved picture and sound quality. This technology supersedes technology in any other parish or place. This has been made possible through your continued kind and generous support, even in these difficult times for many families and households. We know from our statistics, that this service is being widely availed of, both in our parish and by people in various parts of the world, especially in these times when it is not possible to gather as a community for Mass. This service gives hope and comfort to many people.</b></p>
<p><b>Weddings 2021:</b></p>	<p><b>In recent weeks, Loretto at The Parish Office along with Fr. Gerry have been very busily engaging with a large cohort of couples, who had previously planned to marry these months, now having to make alternative arrangements, owing to Covid 19. These arrangements have necessitated new dates being made available to them during 2021. There are now already 36 weddings rescheduled for 2021 in our parish! Any other couples from our parish, planning a wedding ceremony and intending to marry in Kingscourt, Muff or Corlea during 2021, should contact Fr. Gerry without delay for available dates. Couples who have already completed their Church wedding papers will not need to repeat them. Civil papers will need to be redone.</b></p>
<p><b>TROCAIRE:</b></p>	<p><b>A very sincere thanks to all who have returned their TROCAIRE boxes to The Parish Office. If you still have a TROCAIRE box at home, we earnestly request that you return it either on this Sunday to Kingscourt Church between 2p.m. – 5p.m. or to The Parish Office in the coming days. Thanks to one and all.</b></p>
