POPE FRANCIS
WORDS OF HOPE FOR EASTER 2021

WE ALL NEED A LITTLE HOPE AND EVEN A BIT OF OPTIMISM IN OUR LIVES. LET ALL OF US REFLECT ON THESE WORDS IN THESE DAYS OF EASTER 2021

We must not let *hope* abandon us.... Optimism disappoints, but *hope* does not.

***Hope* opens new horizons, making us capable of dreaming what is not even imaginable.**

To speak of *hope* to those who are desperate, it is essential to share their desperation. To dry the tears from the faces of those who are suffering, it is necessary to join our tears with theirs.

Prayer leads us forward in *hope*. Let us never set conditions for God; let us instead allow *hope* to conquer our fears.

No one learns to *hope* alone.

Let us live in the joyful *hope* of reciprocating to our brothers and sisters, through what little we can, the abundance we receive from God each day.
